

**In the Claims:**

The following Claims are pending in the present application.

1. (Amended) An animal lure for whitetail deer, said lure comprising an operative component consisting of:

a) the urine of only two ~~female~~ does in estrus.

2-3 (Cancelled)

4. (Previously amended) The lure of claim 1, wherein said urine is taken exclusively from a single stall used only by said two does in estrus.

5-14 (Cancelled)

15. (Amended) The method of claim 17, wherein said stall is cleaned after a urination cycle of said two ~~animals~~ does in estrus before use by other animals is permitted.

16. (Amended) The method of claim 17, wherein said first and second ~~animals~~ does in estrus are permitted to be in contact with each other immediately after said urination cycle of said first animal.

17. (Amended) A method for making a lure for white tail deer, said method consisting essentially in the steps of:

- a) limiting use of a gathering stall to only two white-tailed does in estrus;
- b) gathering urine from said urine gathering stall; and,
- c) limiting each said lure to only urine gathered from a single said urine gathering stall.

18. (Amended) The method of claim 17, wherein the step of gathering urine includes leading a first ~~animal~~ doe in estrus out of the stall immediately after urination while a second ~~animal~~ doe in estrus is lead into the stall so that said ~~animals~~ does in estrus are within sight of each other.

19. (Amended) The method of claim 17, wherein before the step of gathering urine, the first ~~animal~~ doe in estrus is lead out of the stall immediately after urination cycle while a second ~~animal~~ doe in estrus is lead

into the stall so that said ~~animals~~ does in estrus are within sight of each other.

20. (New claim) An animal lure for white tail deer, said lure comprising an operative component consisting of:

a) the collected isolated urine of only two does in estrus.

21. (New claim) The lure of claim 20, wherein said urine is taken exclusively from a single stall used only by said two does in estrus.
